## GENERAL INFORMATION

**LOCATION** — The sale will be held at the Georgia Coastal Plain Experimental Station, Tifton, Ga. The sale barn is located just off Int. 75, which runs north and south from Atlanta, Ga. to Miami, Florida and passes through Tifton. Tifton is located within 50 miles of the Florida state line.

**TIME** — Sale will be held Friday, Oct. 20, 1967 and will start at 12:00 noon. Show of sale cattle will be held Friday, Oct. 19 at 9:00 a.m. Females will show first.

**BULL SIFTING** — The rules of the Southeastern Regional Ass'n state that there shall be a bull sifting and that only 90% of the bulls entered be allowed to sell. The bull sifting will be Thursday, Oct. 19 at 3:00 p.m. All interested persons are invited to attend.

**BANQUET** — Annual banquet and meeting of the Southeastern Regional Ass'n will be held at 7:00 p.m., Thursday, Oct. 19 at the Alpine Restaurant, which is adjacent to the sale headquarters.

**SALE HEADQUARTERS** — Quality Courts Motel, Tifton, Ga. Write them direct for reservations or contact the sale manager and he will be happy to do it for you.

**TERMS** — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**HEALTH** — All cattle have been tested for TB and Bang's within 30 days of the date of this sale. Many of the cattle have been calfhood vaccinated for Bang's. Interstate health papers, according to the laws of Georgia, will be provided to out-of-state buyers. All purchasers must be aware of any variations from the health laws of Georgia and their own state and lack of knowledge will not invalidate a sale. Many of the cattle come from herds Federally Accredited for TB and Bang's.

**GUARANTEE** — The cattle are being sold under the standard guarantee of the American Shorthorn Breeders' Association.

**LIABILITY** — Although every precaution will be exercised to protect the safety and comfort of the guests of this show and sale, neither the association, its auctioneers, clerks, the sale barn, nor the sale manager can assume any liability. Every person attending does so at his own risk. The sale manager was retained by the Southeastern Regional Breeders' Assn. for the specific purpose of compiling the sale offering, handling the advertising and publicity, preparing the catalog and disbursing the receipts and has no connection with the handling of the cattle or the condition of the premises, and cannot be responsible for errors in the health charts or fulfillment of guarantees.

**TRUCKING** — Good truckers at reasonable rates are available locally. Should you wish to leave your cattle for a reasonable period after the sale, in order to have a truck sent from your home, arrangements can be made to care for them.

**AUCTIONEER** — Don Smock, Whiteland, Ind.

**SALE MANAGER** — Gene McDonald, 16 So. Locust St., Aurora, Ill. 60506.

**MAIL BIDS** — Mail bids may be sent to any of the following representatives, all of whom are qualified to handle your business properly. Last minute phone calls and messages will reach them by contacting the Georgia Coastal Experimental Station sale barn, Tifton, Ga.

**REPRESENTATIVES** — C. D. Swaffar, Executive Secretary, American Shorthorn Assn., 8288 Hascall St., Omaha, Neb. 68124.

Bob Nash, Executive Vice-Pres., Georgia Cattlemen's Assn.

G. Shirley Myers, Livestock Breeder Journal, Macon, Ga.

Don Smock, Whiteland, Ind.

E. H. Wilson, Alabama Cattlemen, Montgomery, Ala.

Gene McDonald, The Shorthorn World, Aurora, Ill.

This sale has consistently topped all the sales in the South in the sale of Shorthorn bulls. Pictured above are bulls which are typical of the quality offered in this sale. 53 bulls, all raised in the open and ready to turn out are being offered this year.

The females will show first, thus allowing the bull buyers from a distance to arrive in time to see the bull show.

B. C. Barnes, Carrollton, Ga., in the short space of two years has put together an outstanding group of cows at Carrollton, Ga. He did this through the purchase of several entire herds and by consistently topping sales throughout the country. They offer 15 females in this sale bred to their outstanding stock bulls. Pictured above are a few of the Barnes females running on pasture.

S R VIKING 6th — A grandson of the great breeding Bapton Constructor, and also of Cruggleton Leishman, two bulls that have written breed history. Here is a big, dark red, sound two-year-old. He is a sure breeder as we have used him on several cows, two of which sell in this sale.

Bapton Guardsman, the bull being used as a model by the American Shorthorn Association in their promotional advertising. He is the sire of Lot 5 in this sale.

FAIR ACRES GUARDSMAN — Purchased at the top of the 1966 Ewald Production sale. He is sired by the \$25,000 Bapton Guardsman and out of the top selling female at that sale. Since we have acquired Aberfeldy Gold Dust as a senior stock bull, we are selling this excellent, young Shorthorn sire. He has been used on all our best cows and is a sure breeder.

The show of sale cattle will be held Friday morning at 9:00 a.m. Marlin Engelhardt, Madison, Ga., will place the cattle for sale order. Since many buyers will be traveling from a distance and will be interested in the bull show, the females will show first and the bulls will show last in order that the grand champion bull will be selected immediately before the sale starts at 12:00 noon.

by Randy Butler.

This sale has the reputation as being the best bull sale in the South. One of the reasons it is so highly regarded is the fact that a thorough and stringent sifting of the bulls is held on the afternoon preceding the sale. This year the bulls will be sifted at 3 p.m., Thursday, Oct. 19. Prospective buyers are invited to attend.

**SV's AVALANCHE** — Weight Aug. 30th, 1,140 pounds. Average lifetime daily gain 2.40 pounds. A growthy, weight for age kind of calf that could improve the weaning weight and feeding efficiency of your calves. Herd federally accredited.

# WHY USE SHORTHORN BULLS?

Of course, anyone who has a herd of Shorthorn cows, or who has used Shorthorn bulls, knows of their superior profit making ability. In case you have not had experience with Shorthorns, we urge you to get better acquainted. Here are a few facts . . .

- Shorthorn bulls sired calves with higher gains, heavier weights and better carcasses when used on blacks and whitefaces than did the black-whiteface cross in a recent Louisiana State University test.
- Shorthorns outgrossed all beef breeds in a summary of 31 feeder calf sales held in Virginia . . . \$5.85 more than blacks and \$7.00 more than whitefaces sold in these sales.
- Shorthorns have topped the Kentucky Performance Tests for the sixth straight year. They led in average daily gain, adjusted average daily gain, type score, and index value.
- A study by the Quebec Department of Agriculture proved that Shorthorns mature earlier and produce a higher carcass grade than blacks and whitefaces.

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess — he weighed the calves.

## THE BOX SCORE

Sire	No. Calves	Average Weaning Weight	Lbs. T'l
Shorthorn .....	47	330 lbs.	15,510
Hereford .....	34	306 lbs.	10,404
Angus .....	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality meat. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of a crop by using Shorthorns.

## Shorthorn Bulls Inject Vigor

"All I know, is that you get that hybrid vigor in there and that it just works." These were the words of Gene Bowen, who manages the V. E. Whitehurst Crescent Valley Ranch near Davenport, Florida, and he was talking about the hybrid vigor that is achieved in the crossing of Shorthorn bull with Hereford cows.

**One of the Widest  
Selections of Shorthorns  
to be Offered  
in One Sale This Season!**

Make your choice from the entries  
of outstanding breeders of the Southeast.

A great selection of stock bulls  
and stock bull prospects —  
along with equally fine females!

A great chance to select animals  
to build a herd — or to supplement  
an established herd.

The discerning buyer will find  
real buying opportunities  
in this offering.

The bull sifting makes it mandatory  
that breeders enter their better animals  
in this sale, as not more than 90%  
of the bulls entered can be sold.

# STANDARD GUARANTEE

## Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
